loan on the Lot in question, and such subordination shall apply only to the charges which have become due and payable prior to the sale or transfer of such Lot pursuant to a decree of foreclosure, or any other proceedings in lieu of foreclosures. Such sale or transfer, however, shall not release such Lot from liability for any charges thereafter becoming due, nor from the lien of any subsequent charge.

4.03. The Association shall be entitled to contract with any corporation, firm or any other entity in order to carry out the performance of the various functions of the Association hereunder.

The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Grantor or the subsequent Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not constitute any nature of waiver or estoppel either as to the persons expressing such approval or other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat. Further, no persons exercising any prerogative of approval or disapproval shall incur any liability by reason of good faith exercise thereof.
